PSG/R&RD-76/70 5 March 1970

MEMORANDUM FOR: Deputy Director, National Photographic Interpretation Center

THROUGH Chief, Production Services Group, NPIC

SUBJECT Photomosaic Project, Status as of 3 March 1970

1. As requested by you, status of the recently reactivated Photomosaic Project as of 3 March 1970 is as follows:

- (a) Reprographics Division processed 3 copies of 70mm reproductions for 6 buckets of the backlog.
- (b) All of the In-House TOPOCOM pass mosaics have been attached to WAC charts. The necessary labeling and control sheets for those mosaics recently completed are being compiled and all In-House materials should be forwarded to Reprographics Division during the next reporting period.
